

## HOW CAN YOU PARTNER WITH THIS MISSION?

### PRAYER SUPPORT

I am sending newsletters regularly so we can pray together for this ministry and praise God when we see Him at work. This support is vital to the mission!

### FINANCIAL SUPPORT

One of my responsibilities is to raise funds for this ministry, and my goal this year is \$36,000. IFES has hired me through an agreement with my local church, *Iglesia La Travesía*.

All donations are tax-deductible and can be made to my church with the memo "*Gisela Muñoz IFES*":

- \* **Paypal:** finan.travesia@gmail.com
- \* **Direct debit (ACH)** from your bank account
- \* **Checks:** PO Box 366712 San Juan, PR 00936

*Iglesia La Travesía is a tax-exempt charity according to Section 501(c)(3) of the Internal Revenue Code and the Puerto Rico tax code. (EIN #66-0738493)*

If you are unsure as to which is the most convenient method for you, I'd be happy to explain each option.

### NETWORKING SUPPORT

If you have a heart for seeing university students transformed by the power of the gospel, please tell others about this ministry and have them contact me.

## What is IFES?

The university world in Latin America needs the gospel. During this crucial life stage, young people make decisions that affect the rest of their lives. Universities are at the forefront of the global issues we face today, and it is where each nation's leaders are developed. We would like these leaders to be shaped by the values of the Kingdom of God. The International Fellowship of Evangelical Students is a global network of local, student-led Christian movements in 170 countries. Our vision is to see students built into communities of disciples, transformed by the gospel and impacting the university, the church and society for the glory of Christ. In Puerto Rico, this ministry shaped me and my vocation, and now, for almost a year I've had the privilege of serving in the IFES Regional Team for Latin America, as the Sub-regional Coordinator for the Spanish-speaking Caribbean.

## Ministry Areas

**Strengthening National Movements.** I walk alongside national leaders in Cuba, Venezuela, Dominican Republic, and Puerto Rico, serving as their mentor, and I foster interaction between the four movements.

**Leadership Development.** I have the honor of mentoring two young staff workers in IFES, one from Colombia and one from Malaysia, and I serve in the resource team for a global initiative which aims to train an international cohort of emerging young leaders.

**Training.** As an advisor in the areas of nonprofit governance, evangelistic Bible study, indigenous support development, and assessing ministry impact, I facilitate workshops to the national movements in our region.

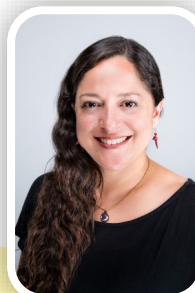

**Literature.** One of my roles is to connect the national movements with the Spanish-language publishing houses affiliated to IFES, as well as promoting the creation and distribution of quality Biblical and theological literature in the region.

Our prayer is that God would transform our nations through the impact of the Gospel on students and campuses. Would you prayerfully consider supporting this mission?
